

CH88T Dining Chair

Designer: **Hans Wegner**

Manufacturer: **Carl Hansen and Son**

£499

DESCRIPTION

CH88T dining chair by **Hans Wegner** for **Carl Hansen & Son**.

To mark the 100th anniversary of Hans J. Wegner's birth, Carl Hansen & Son is launching Wegner's CH88 chair - a 1955 design that has, to date, existed only as a prototype.

The CH88 is versatile both in terms of its appearance and usability thanks to its numerous finish, frame, and room placement options.

Characteristically, the upper structure features a steam-bent wooden backrest for back support, with slight curvatures of the backrest's ends providing a natural resting place for the arms.

Please see 'related products' for the upholstered model

DIMENSIONS

57w x 44.5d x 44.5/76.5cmh

MATERIALS

The steel frame, with straight back legs, supports an oval-shaped wooden seat. This blend of materials, combined with a minimalist design, results in a light, organic, industrial expression. And the new, stackable design offers a valuable benefit.

The CH88 is available in beech and oak finished in a choice of lacquer, oil, white oil, soap or CHS colours. The frame is available in stainless steel, powder-coated and chrome. When painted Oak has a clearly visible wood structure; Beech has a minimal structure. Oak is only available in black. Beech available in all CHS colours.

The CH88T in oak is FSC certified.
