

Egyptian Table

Designer: **Mogens Lassen**

Manufacturer: **Carl Hansen and Son**

£2,449.17

DESCRIPTION

Egyptian Table by **Mogens Lassen** for **Carl Hansen + Son**.

Round wooden coffee table designed by Mogens Lassen in 1940.

The Egyptian table is an elegant coffee table made from solid wood with brass details. The Egyptian table is also very functional as it can be collapsed and stored when not in use. Releasing a small brass sliding latch underneath the tabletop makes the table collapse.

DIMENSIONS

85dia x 52cmh

100dia x 52cmh

MATERIALS

The Egyptian table has a base in solid wood and round tabletop in wood veneer. It is available in oak (clear lacquered, oiled or white oiled) or walnut (clear lacquered or oiled). Brass details. Please see pdf in 'Product downloads' for the different wood finishes and how to care for them.< /p>

Material samples are also available to view at our shop or showroom.

Available in two sizes.
