DESCRIPTION

OW149 Colonial sofa by **Ole Wanscher** for **Carl Hansen + Son**.

Ole Wanscher designed the Colonial range of furniture in 1964. This refined collection clearly reflects Wanscher's interest in eighteenth-century English furniture as well as a certain nostalgia for the Colonial aesthetic.

The Colonial range includes a two-seater sofa, armchair, footstool and coffee table. The seating elements feature a solid wood frame with a black cotton webbing base that supports loose cushions made from a down-mix.

DIMENSIONS

124w x 69d x 84cmh

MATERIALS

The solid wood frame is available in oak and walnut. All woods may be chosen with a lacquered or oiled finish, with the oak additionally available in a soaped, white oiled or black lacquered finish. Please note that even when painted

black, oak has a clearly visible grain.

Sample images of wood finishes may be viewed on the downloadable sheet.

The Colonial range can be upholstered in a variety of Carl Hansen fabrics or leathers. See downloadable specification sheet for details of the relevant Kvadrat and Gabriel fabric collections.

Samples of the full range of Carl Hansen & Son upholstery fabrics are available to view at our shop and showroom.
