£2,483

DESCRIPTION

CH002 dining table by **Hans Wegner** for **Carl Hansen + Son**.

In 1982, Hans J. Wegner designed the CH002, the more compact of the two dining tables he created. Reflecting Wegner's commitment to functional design, this table offers an attractive solution for contemporary interiors.

Specifically crafted for smaller spaces, the CH002 can effortlessly expand its surface by lifting the two accompanying leaves.

The adaptable table is available in a range of handsome finishes and can be tailored to suit your space.
