## DESCRIPTION

**CH008 Coffee Table** by **Hans Wegner** for **Carl Hansen + Son**.

Hans Wegner had a philosophy of never designing furniture with a backside, something which one can clearly see in his CH008 coffee table. The seemingly simple three-legged design is one of Wegner's most iconic. In his pursuit of perfection, Wegner spent the same amount of time designing the visible parts as he did the more hidden structural parts, resulting in an elegant and timeless table.

The CH008 coffee table, designed in 1954, is available in three sizes. Please see pdf in 'Product downloads' for the different wood finishes and how to care for them. Material samples are also available to view at our shop or showroom.
