DESCRIPTION

CH101 Armchair by **Hans Wegner** for **Carl Hansen & Son**.

Originally designed as part of an exclusive office furniture range, the CH101 lounge chair is a testament to Wegner's mastery of stainless steel. The series was reintroduced in 2008 as a tribute to the 100th anniversary of Carl Hansen & Søn; before this, only limited numbers were produced in the 1970s.

The sumptuous armchair is characterised by its flat stainless steel frame that seamlessly integrates into the armrests, creating a captivating contrast with the seat upholstery. The chair works well on its own, in groups, or with the sofas of the range. Also available as a two-seater (CH102), three-seater (CH103) or four-seater sofa (CH104).
