DESCRIPTION

CH102 Sofa by **Hans Wegner** for **Carl Hansen + Son**.

The CH102 sofa was originally designed as a part of an exclusive office furniture range and is a fine example of Wegner's expertise in working with shapes and materials. The series was re-introduced in 2008 as a tribute to the 100th anniversary of Carl Hansen & Søn; before this, only limited numbers of the seat were produced in the 1970s.

The inviting sofa is characterised by its flat stainless steel frame that seamlessly integrates into the armrests, creating a captivating contrast with the seat upholstery. The sofa's internal wooden frame is meticulously padded, adhering to the highest quality standards. The loose cushions feature a stable yet soft composition, with a foam core enveloped in down.

The chair works well on its own, in groups, or with the sofas of the range. Also available as an armchair (CH101), three-seater (CH103) or four-seater sofa (CH104).

DIMENSIONS

152w x 77d x 43/71cmh

MATERIALS

Hand made on a solid beech inner frame with polished stainless steel legs, visible frame and armrest fronts. Cushions are fully upholstered on all sides, built around a foam core wrapped in European down and foam granulate.

This range can be upholstered in a variety of Carl Hansen leathers. See downloadable specification sheet for details. Samples of the full range of Carl Hansen & Son upholstery fabrics are available to view at our shop and showroom.
