Manufacturer: **Carl Hansen and Son**

£6,925

DESCRIPTION

CH163 three seat sofa by **Hans Wegner** for **Carl Hansen + Son**.

Three-seat sofa designed by Hans Wegner in 1965 with strong attention to detail and where functional elements are turned into unique details.

When Hans Wegner designed the **CH162 two-seat** and **CH163 three-seat** sofas, he combined innovative comfort with his characteristic emphasis on making structural elements visible. The CH163 sofa has a solid wood frame and upholstered cushions made of a foam core surrounded by European down and cold foam. Using down in a sofa construction was a brand new idea when the CH163 sofa was designed and enabled Wegner to give outstanding comfort to a fairly geometric shape.
