### DESCRIPTION

**Trove Rectangular Box** by **David Irwin** for **Case**.

Trove is a range of modular storage boxes designed to help you declutter and organise your desk. The boxes are made of cork and crafted in minimalist shapes that can be stacked together to maximise desktop space.

The boxes also feature shallow dips that allow you to store small items like paper clips, ensuring easy access.

The Rectangular Box is particularly useful for pens, pencils, letter openers, and small rulers.

### DIMENSIONS

22w x 11d x 5.4cmh

### MATERIALS

Made from agglomerated cork.
