

## Purlin Rug

Manufacturer: **Case Furniture**

£240

## DESCRIPTION

**Purlin Rug** by **Elanor Pritchard** for **Case Furniture** .

Designed by Eleanor Pritchard, the Purlin Rug showcases an intricate graphic pattern inspired by the architectural skyline of London.

The sleek linear design is made from a repeating pattern of long narrow bars and square blocks positioned in a half-drop sequence, perfectly capturing the urban aesthetic of the city.

Creating a further link to the English Capital, the rug is named after the vernacular roofing structures found across the metropolis.

The rug is available in flat-weave and comes in a petrol blue or a warm or dark grey colour palette.
