**Solid Rechargeable Table Lamp** by **Terence Woodgate** for **Case Furniture**.

**Item reduced by 20%**

**£405 -20% now £324**

**New item, boxed.**

*This item is a one-off ex-display item to be sold on a first-order, first-served basis.*

Terence Woodgate has adapted the elegant Solid Table Light into a rechargeable lamp. Sharing the same design characteristics as its predecessor, a sculptural cylindrical base crafted and an opal glass shade, the new lamp frees you from the constraints of cables and the need for a nearby power supply.

The pure cylindrical base, meticulously crafted from solid marble, is topped with a hand-blown glass shade that provides a soft, diffused light.

The Rechargeable Solid Table Lamp was awarded the 2023 DGM Lighting Award.

### DIMENSIONS

22.7dia x 22.7cmh

## MATERIALS

Base crafted from a fine polished serpentine marble with a hand-blown, acid-etched, triple-ply opal shade.

**Please note:** due to the natural qualities of marble, the hue and veining will vary from piece to piece.

Light source (included):

Warm white (3000Kelvin) LED.

Replaceable and rechargeable battery.

Suitable for indoor and outdoor use (IPX4 certified).
