

## Slot Shelving Single

Designer: **Terence Woodgate**

Manufacturer: **Case Furniture**

£655

## DESCRIPTION

**Slot Shelving Single** by **Terence Woodgate** for **Case Furniture**.

Designed by the award-winning British designer Terence Woodgate, Slot is an adjustable shelving system that embodies simplicity.

The wall-mounted unit is aptly designed with a clean, uncluttered appearance, achieved by positioning the vertical supports slightly apart from the wall. This arrangement allows the shelves to be securely fixed to hidden slots, creating a seamless, integrated look.

This adaptable shelving system is available with two shelf widths, three colours and a height adjustment of 25mm, allowing it to be customised to suit its space.

Slot has been nominated for the 2023 DGM Awards.

Also available as a doubled shelved unit. Please see 'related products' below.

## DIMENSIONS

60cm shelf: 66.4w x 28.7d x 194/195.5cmh

90cm shelf: 96.4w x 28.7x 194/195.5cmh

## MATERIALS

Crafted from powder coated steel with machined stainless steel fittings.

If you're interested in purchasing a custom configuration, please contact us [here](#) for more details.
