This item is a one-off clearance item to be sold on a first-order, first-served basis.

A pure cylindrical form, crafted from solid wood lacquered matt. The rounded inner edge at the shade base is a design signature of the Solid collection. As solid wood is a natural material the grain will vary from piece to piece, making each shade body unique.

Solid is designed with effective thermal cooling for LED performance and longevity. A unique support design enables the fitting to be adjusted so that it hangs completely vertical and true. The light provides a direct even beam with low glare.
