## DESCRIPTION

**Cassette sofa by Ronan & Erwan Bouroullec for Established + Sons.**

The Cassette sofa offers a masterclass in contemporary design from two of the world's most prominent designers. Thoughtfully constructed from contrasting materials, this range of two-seater and three-seater sofas melds practicality with comfort in a timeless fashion.

A powder-coated metal frame offers bold panels of colour but with a slim side-profile that adds lightness to each piece. This helps to offset the sofa's generous depth and cushioning and allows for a greater seating area compared to its footprint.

**Please note:** Price includes a set of two side cushions.
