

833 Cavalletto Desk

Designer: **Franco Albini**

Manufacturer: **Cassina**

£3,776

DESCRIPTION

833 Cavalletto Desk by **Franco Albini** for **Cassina**.

The Cavalletto is a trestle table originally designed by Albini in 1950. The table is assembled by means of screws and two brass pulleys which stabilise the frame.

Designed with the idea of lightness in mind, the frame is based on opposing forces and presents a sophisticated form thanks to the detailing of the metal stays, as well as, the tables carefully shaped edges.

DIMENSIONS

180w x 71d x 71cmh

MATERIALS

The frame and top of this trestle table are available in natural ash, ash stained black or American walnut.

The frame is constructed using two dark brass pulleys and screws.
