### DESCRIPTION

**637 Utrecht curved sofa** by **Gerrit T. Rietveld** for **Cassina**.

Dutch designer Gerrit Rietveld is one of modernism's most singular figures - a leading light of the De Stijl movement and designer of some of the modern age's most iconic pieces of furniture.

The Utrecht collection, named after the city of his birth, was designed in 1935 and reveals Rietveld's fascination with distilling a piece of furniture to its structural basics, revealing a form that is at both unconventional and soundly rational.

The bold, sculptural design of the curved three-seat sofa is available in a range of upholstery with statement blanket or zigzag stitching.
