### DESCRIPTION

**2 Fauteuil Grand Confort Chair, Petit Modèle** by **Le Corbusier, Jeanneret and Perriand** for **Cassina**.

The 2 Fauteuil Grand Confort Chair Petit Modèle is a timeless chair, which has made design history. Designed in 1928 and exhibited at the Salon d'Automne in Paris in 1929, it is the archetypal armchair in the new and modern conception of furnishings understood as "domestic equipment", re-issued by Cassina and produced exclusively since 1965. The separation of the metal frame and the cushions expresses a rationalist approach to industrial production.

**Please note:** the price is for feather-padded cushions with the base in Chrome. Please enquire about the base in other finishes and the polyester padded version. The chair was previously known as the LC2 chair.
