

La Rotonda Dining Table

Designer: **Mario Bellini**

Manufacturer: **Cassina**

£6,979

DESCRIPTION

La Rotonda Dining Table by **Mario Bellini** for **Cassina**.

Mario Bellini designed La Rotonda in 1976 and references architectural supports seen throughout the centuries.

The base of the table is comprised of a diagonal intersection of three square legs that support the tabletop. Strong joints are carved directly into the solid wood legs, showcasing Cassina's wood craftsmanship.

DIMENSIONS

Glass top 165dia x 71.5cmh

Wooden top 165dia x 74cmh

MATERIALS

The base is available in natural ash with walnut or black stain, natural walnut and American walnut with a glass surface; the natural ash and natural walnut bases are available with matching wood tops.

Marble cat. 1: **Carrara and Marquina marble**
Marble cat. 2: **Carnico and Emperador marble**
Marble cat. 3: **Sahara noir and Calacatta marble.**
