

## Cast Iron Candlestick Holder

Designer: **Tadahiro Baba**

Manufacturer: **Sumitani**

£23

### DESCRIPTION

**Cast Iron Candlestick Holder by Tadahiro Bada for Sumitani.**

The candleholder was designed for the traditional *warōsoku* Japanese candle, with a flat base and spike to secure it. The expertly crafted iron base is a simple yet refined design, its shape and thickness has a tactile quality. Due to this it doesn't heat up and can easily be moved around the home

### DIMENSIONS

3.17w x 3.17cmh

### MATERIALS

Made from Cast Iron.
