DESCRIPTION

Central Table by **Ronan + Erwan Bouroullec** for **Magis**.

A clever design providing a space-saving solution. The Central table was designed in 2011 and features a folding table top enabling the table to be conveniently stored when not in use.

Ronan graduated from the Ecole Nationale des Arts Décoratifs and immediately began working alone, progressively assisted by Erwan, still a student at the Ecole des Beaux-Arts of Cergy Pontoise. The two brothers have been working together since 1999. Their collaboration is a constant dialogue, nourished by their single identities and striving towards a common goal.
