

Chaise A Indoor chair, 1934

Designer: **Xavier and Jean Pauchard**

Manufacturer: **Tolix**

£530

DESCRIPTION

Chaise A Indoor dining chair by Xavier + Jean Pauchard for Tolix.

The Tolix Model A chair has become an icon of outdoor furniture. It is as popular today as when first designed in 1934. Crafted of sheet steel, this classic chair is solid, light and easy to maintain.

Designed by Xavier Pauchard, an early pioneer of galvanisation in France. In 1927 he registered the trademark Tolix, when he began the production of chairs, stools and metal furniture.

Please note: The chair has a minimum order requirement of 6 chairs. This version is suitable for indoor use only. The chair is also stackable for easy storage.

DIMENSIONS

44w x 51.5d x 85cmh

MATERIALS

Available in the following finishes: painted (gloss, matt), and raw steel varnished.

Chairs in raw steel finish will have visible solder joints. Painted gloss is a high shine and reflective finish. Matt painted finish gives the chair an understated appearance. Whilst matt fine-textured paint improves UV resistance.

Please refer to downloadable PDF for all finish and colour references.
