

## Chimera floor light, 1969

Designer: **Vico Magistretti**

Manufacturer: **Artemide**

~~Was £1,684~~ Now £1,431

## DESCRIPTION

**Chimera floor lamp** by **Vico Magistretti** for **Artemide**.

Designed by Vico Magistretti in 1970, the Chimera floor lamp is a larger accomplice to the Mezzachimera table lamp. Sitting on a base of white painted metal, the gentle folds of heat-curved opal methacrylate shield the bulbs and diffuse the light, creating a soft glow.

Like the Mezzachimera, the Chimera is as much a display piece as a practical lamp.

## DIMENSIONS

22.6dia x 18.3cmh

## MATERIALS

Base in white painted metal; structure/diffuser in heat-curved white opal methacrylate.

Bulb (included):

3 x G5 28W fluorescent, dimmable
