

## Chipperfield w102 Table Lamp

Designer: **David Chipperfield**

Manufacturer: **Wastberg**

£846

### DESCRIPTION

**Chipperfield w102 Table Lamp** by **David Chipperfield** for **Wastberg**.

The Chipperfield w102 is a dimmable table lamp, using warm white LEDs with optical lenses and glare protecting diffuser.

A ball bearing construction enables very smooth rotation between upper and lower base parts. Adjustable shade.

"The product references an archetypal personal desk lamp for home or office use, and seeks to offer a fresh interpretation of the familiar on a domestic scale. The lamp is predominantly made from brass – a material commonly associated with lights, though not so widely used today. The intention was to create a simple form with a clear distinction between a base, a single arm and a lamp head. The lamp has no visible joints and minimal directional movement, without compromising its function."

David Chipperfield

### DIMENSIONS

11w x 33.7d x 42.3cmh

## MATERIALS

Made of solid brass with a clear matt lacquer or black oxidized steel.

Light source: 7.5W, 100 - 240V.

Integrated dimmer.

**Please note:** This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
