

Clack! Chair Bi-Colour

Manufacturer: **Gandia Blasco**

~~Was £480~~ Now £408

DESCRIPTION

Clack! Chair Bi-Colour by **Gandia Blasco**.

The Clack! chair is an improved design on the traditional wood and canvas folding beach chair. Gandia Blasco has re-created the time old design with an aluminium frame, making the chair lighter and more weather resistant. This new design fits perfectly into a relaxed beach setting or in a more elegant dinner setting.

Another change to the original design is the seat. Gandia Blasco has swapped the traditional canvas for an ergonomic plastic, a material more resistant to sun, water and salt. Both new materials need less maintenance than the classic wood and canvas.

The Clack! chair is available in a bi-colour version, with a white frame and a range of coloured upholsteries. The Clack! chair is also available in a **monochrome version** in a range of colours.

DIMENSIONS

55w x 42d x 50/66/87cmh
