DESCRIPTION

Colour Wood dining table by **Scholten + Baijings** for **Karimoku New Standard**.

An extension of the Colour Wood series of side tables, the contemporary style Colour Wood dining table adopts the same design language with its distinctive barrel-like leg and faceted-edge tabletop.

Using cutting edge techniques, the chestnut and oak table features a transparent natural or grey polka dot pattern, characteristic of Scholten & Baijings. The design interacts with the natural patina of the wood and gives the effect of a permanent yet subtle and sheer tablecloth.

Also available in a plain version.
