

Concert pendant, white, 2005

Designer: **Jørn Utzon**

Manufacturer: **Fritz Hansen**

£499

DESCRIPTION

Concert pendant light by **Jørn Utzon** for **Fritz Hansen**.

During his work in creating Concert, Jørn Utzon sought to develop a pendant with a pure and organic idiom of design. His idea was to use several different shades, and to strengthen the design further with upward illumination from the lamp. The chosen shade configuration is visually characteristic of Jørn Utzon and reminds us of his greatest work.

The suspension unit sends out a pleasant, even light between the shades. At the same time, it illuminates the two upward shades and part of the cord. The bottom shade casts light downward to the parabola, which then diffuses it. The parabola not only softens the light, but prevents glare – regardless of the height of the lamp.

Concert gives a pleasant, non-glaring light without compromising the strength of illumination. The pendant adds to ambient room lighting, thanks to the light sent out between the shades.

Available in two sizes.

DIMENSIONS

Concert P1: 32dia x 19cmh

Concert P3: 55dia x 32cmh

MATERIALS

Concert is built up of four shades and a parabola of drawn steel, which is mounted on a glass suspension of triple-layer, hand-blown opal glass.

Concert P1

Bulb: E27 max 75W

Concert P3

Bulb - E27 max 150W
