

Constantin table

Designer: **Studio Simon**

Manufacturer: **Cassina**

£2,840

DESCRIPTION

Constantin table by **Studio Simon** for **Cassina**.

A geometric, art form side table designed by Studio Simon in 1971. In honour of the work of Constantin Brancusi, Studio Simon wanted to create a piece of furniture that was iconic and would stand out in its interior setting. The Constantin is industrially manufactured, combining a brass foiled round top with a solid wooden structure, this table is an iconic design piece.

DIMENSIONS

48dia x 59cmh

MATERIALS

Round sheet brass table top with brushed glazed surface. Structure in solid waxed oak. Brass pins and nylon ferrules.
