### DESCRIPTION

**Cuba 25 Two-Seat Sofa Bed** by **Rodolfo Dordoni** for **Cappellini**.

Cappellini's Cuba 25 sofa family, designed in 1986, is a range of modern, minimalist seats that pay homage to flexibility. The design, which focuses on essentialism, is versatile in that it can be customised in both form and upholstery finish.

The collection comprises a series of linear elements with removable covers, including two and three-seaters, corner, end and central units, a sofa bed and pouffes.

The two-seat sofa can easily be transformed into a 132 cm wide double bed and is well suited as a living room sofa or as an extra bed in the guest room.

The comfortable seats have a robust frame made from metal and wood and generously sized seat cushions and pillows, which are fully removable.

When upholstered in leather, the stitching is rope-coloured.

Also available in a three-seater version, please **enquire** for more details.
