DESCRIPTION

Robin by **Curio Studio**.

Bring charm into any interior with the handmade Robin from Curio Studio. Part of an ongoing series of birds made from contrasting hardwoods, the exquisitely detailed Robin appeals to adults and children alike. The bird sits gracefully on an oak perch shaped to allow the Robin to playfully nestle in various positions.

The body of the Robin is made from black walnut, sycamore, and cherry wood. The perch is made from oak. The small decoration is a timeless addition to any home this winter, made to withstand many Christmases to come.
