

Ameland Letter Opener

Designer: **Enzo Mari**

Manufacturer: **Danese**

£48

DESCRIPTION

Ameland Letter Opener by **Enzo Mari** for **Danese**.

Enzo Mari and Danese set out to simplify the manufacturing process of the letter opener in 1962. This meticulous development resulted in the highly refined double-edged letter opener. With its clean, curved and subtly twisted shape, characteristic of a propeller, the handleless Ameland letter opener is a sleek addition to any office space.

DIMENSIONS

22w x 2cmd

MATERIALS

Satin finish stainless steel.
