## In Attesa Bin, 1971

Designer:**Enzo Mari**

Manufacturer:**Danese**

£52

## DESCRIPTION

**In Attesa Bin** by **Enzo Mari** for **Danese**.

"In Attesa," one of Enzo Mari's design classics, is a timeless piece intended for daily use in the workplace. Its adaptable nature makes it suitable for any environment, be it public or private.

Designed with the stressed office worker in mind, the name itself, meaning "in expectation," reflects its purpose. Showcasing Mari's typical combination of simplicity of form with an element of wit and surprise, the considerable inclination of this leaning waste-paper basket aids in efficiently catching thrown waste, enhancing the thrower's success.
