#### **DESCRIPTION**

Undici, Cubo Screen Print by Enzo Mari for Danese.

This screen print from Danese Milano celebrates an iconic design from Enzo Mari, a modernist artist and designer.

The Undici, Cubo screen print is part of Enzo Mari's monochromatic Synsemantic Symbols series from 1972. The motivation behind the series was to bring art into the home through making it accessible to all.

The silk-screen reproduction techniques cancel the concept of an original, while the universal symbols chosen allow for endless possible attributions of meaning, contributing a timeless quality to the artwork.

Please note: Frame not included.
