DESCRIPTION

Cartesio Suspension Light by Davide Groppi for Davide Groppi.

Characterised by its thin mirrored disc and delicate suspension cables, the Cartesio is a sophisticated statement light. Designed by Davide Groppi in 2018, the lamp features an intelligent clamping system that allows the disc to be positioned in any direction without the need for wall or ceiling wires.

The LEDs and reflective diffuser provide a soft glow, combining direct and indirect lighting and are available in two circular sizes. This innovative design is clean and minimal in style while still making a statement in any space.
