

## Magia

Designer: **Michele Groppi**

Manufacturer: **Davide Groppi**

£1,665

## DESCRIPTION

**Magia Suspension Light** by **Michele Groppi** for **Davide Groppi**.

Designed by Michele Groppi in 2023, the Magia is a unique horizontal light suspended by delicate steel cables. Its tubular refractive shade houses small LEDs, providing direct and indirect light through its 360° adjustable module. With its convex lenses, Magia conceals parts of the light beam, which adds to the suspended and ethereal feel.

Perfect for residential dining tables or commercial workspaces due to its adjustable height. For larger configurations, the Magia Suspension can also be a striking addition to stairwells and entryways.

The Magia was awarded an Archiproducts Design Award in 2023.

Price is for a single tube suspension, for other configurations please **enquire**.

## DIMENSIONS

Tube: 57dia x 140cm

Wire length up to 600cm.

## MATERIALS

Acrylic tube with metal ends in either a polished gold or polished black chrome finish.

LED module profile with matt black finish.

Ceiling driver in matt white.
