DESCRIPTION

TeTaTeT Flûte by **Davide Groppi**.

The TeTaTeT Flûte, a successor to the TeTaTet Lamp, maintains the visual charm of its predecessor but has a transparent base that creates the illusion of a floating lamp head.

When placed in the centre of a dining table, this lamp emanates an ethereal ambience, providing an unobstructed view of your guests.

This table lamp emits a softly diffused, downward light.

Please note, the minimum order is 3 units. Price listed is for an individual light with charging cable. The power supply is not included and can be bought for a surcharge. Please **enquire** for details.
