

Plant Outdoor Planter

Manufacturer: **DBKD**

£52

DESCRIPTION

Plant Outdoor Planter by **DBKD**.

The Plant Outdoor Planter, designed by Swedish brand DBKD, is a cylindrical metal planter with a minimalist design. It features a drainage hole and a matching metal saucer to control excess water and protect your plants from overwatering.

The planter's simple form and muted brown colour create a contrast against the organic shapes of the foliage that grows within it.
