DESCRIPTION

322/323 Glassball pendant light by Bernard-Albin Gras for DCW éditions.

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of their time.

Nicknamed 'Les Acrobates des Gras', the 322 pendant light is a distinctive hanging light suspended from two vertically parallel cables.

Please see drawing and downloadable pdf for the full specification, or use the **official DCW Editions configurator** to personalise your choice of light.
