

## In The Sun Wall/Ceiling Light

Designer: **GLP DPA**

Manufacturer: **DCW Editions**

£322

### DESCRIPTION

**In The Sun** by **Gaëlle Lauriot-Prévost & Dominique Perrault** for **DCW éditions**.

Designed in 2017 by Gaëlle Lauriot-Prévost & Dominique Perrault, the In The Sun Wall light was inspired by the warm light of our star. Radiating hues of gold and silver, the fixture makes for a highly adaptable wall or ceiling light.

The mounting plate is available in gold or silver in three different sizes for further customisation. For all wall compositions, a power supply is required for each lamp.

### DIMENSIONS

Small: 19dia x 17.3cmh

Medium: 27dia x 17.3cmh

Large: 38dia x 17.3cmh

### MATERIALS

Crafted from steel, stainless steel and glass.

Accompanied by a gold or silver mesh which surrounds the light source to alter the warmth: silver emits the coolest light, whilst gold emits the warmest.

Recommended light source (not included): 220 - 240V, 23W, E27.

IP20.
