

In The Sun Pendant Light

Designer: **GLP DPA**

Manufacturer: **DCW éditions**

£382

DESCRIPTION

In The Sun pendant by Gaëlle Lauriot-Prévost & Dominique Perrault for DCW éditions.

Designed in 2017, the In The Sun Pendant was inspired by the warm light of our star; evident in the hues of gold and silver it emits to create a highly atmospheric pendant light.

DIMENSIONS

Small: 19dia x 19.3cmh

Medium: 27dia x 19.3cmh

Maximum drop: 300cm.

MATERIALS

Crafted from a combination of steel, aluminium and glass.

A choice of gold or seilver mesh allows control over the quality of the light; silver emits the coolest light, whilst gold emits the warmest.

The polished top plate reflects the light downwards and is available in gold or silver in three different sizes for further customisation.

Recommended light source (not included): 220 - 240V, 23W max, E27.

IP20.
