

Biny Bedside Light

Designer: **Jacques Biny**

Manufacturer: **DCW Editions**

£389

DESCRIPTION

Biny bedside light by **Jacques Biny** for **DCW éditions**.

Drawing inspiration from 1950s modernist design, this 2018 bedside wall light has a distinctively industrial aesthetic. An integrated LED spotlight provides a fully directional reading light, whilst an integrated LED plate provides a diffused ambient light. A four-way switch allows both lights to be used in unison or individually.

Movable fins on the LED plate rotate through an arc of 50° and allow the light to be directed up or down for higher or lower intensity.

A USB port on the underside of the light allows easy charging of smartphones and devices.

Available in a right or left orientation.

DIMENSIONS

27w x 10.2d x 10.2cmh

MATERIALS

Crafted from steel and aluminium.

Available in two colourways: black or white.

Light source (integrated): 2700K, 900lm, 110 - 240V, 9W.
