

Biny Table Light

Designer: **Jacques Biny**

Manufacturer: **DCW Editions**

£321

DESCRIPTION

Biny table light by **Jacques Biny** for **DCW éditions**.

Designed in 1958, the modernist Biny range has a distinctively industrial aesthetic. The aluminium body features movable fins that can be used to direct light up or down according to the intensity needed. A wheel on the body allows control over the angle of the fins through an arc of 50°.

A steel base powder coated in black or white provides stability. The On/Off switch is on the underside of the body, making it suitable for use on a desk or bureau.

Integrated LED light source. For technical specifications, please refer to downloadable specifications sheet in 'Product downloads'.

Light source: 10W LED.

DIMENSIONS

32.5w x 18.5d x 32.5cmh

MATERIALS

Crafted from a combination of steel and aluminium.

Available in black or white base with white fins finish.

IP20.
