

Respiro Pendant Light

Designer: **Philippe Nigro**

Manufacturer: **DCW Editions**

£1,630

DESCRIPTION

Respiro Pendant Light by **Philippe Nigro** for **DCW Editions**.

Designed in 2019, the Respiro combines elements of industrial design with an architectural playfulness to create a striking and practical pendant light. Much like a book with its pages fanned open, the pendant emits a warmly reflected downlight through the anodized aluminium pleats.

The Respiro is suspended from the ceiling on thin cables, giving it the impression of being suspended in thin air. With a compact unit to house the wiring and transformer, one's focus falls on the beauty of the light itself.

DIMENSIONS

Respiro pendant 900: 90w x 17d x 15cmh
