

Org Wall

Designer: **Sebastian Summa**

Manufacturer: **DCW Editions**

£636

DESCRIPTION

Org Wall by **Sebastian Summa** for **DCW éditions**.

Sebastian Summa designed the ORG wall light series, drawing inspiration from sci-fi and astronomy, resembling shooting stars with linear tubes. Crafted from glass and metal, the opal white and brass finish cast a mesmerizing aura.

Versatile for various spaces, the ORG wall lamp suits horizontal or vertical installation, serving as practical lighting or enhancing ambience. Integrated LED technology ensures an even, concealed glow.

Available in two sizes—ORG W 1050 and ORG W 1500—allowing customisation and complementing other fixtures in the series.

DIMENSIONS

Org W 1050: 7.1/8.4dia x 71.9/105cmh, 3kg

Org W 1500: 7.1/8.4dia x 116.9/150cmh, 4.7kg

MATERIALS

Made from opal glass, anodized aluminium, & acrylic.

Light source (integrated): 220 - 240V, 12/17W, 2700K, 1200lm.

IP20.

TRIAC dimming.
