DESCRIPTION

Mono Pendant by **Vantot** for **DCW éditions**.

The newest addition to the DCW Éditions collection, Mono embodies elegance and sophistication, serving as an interior gem with versatile uses. A partially satin-finished glass disc delicately rests upon and is softly illuminated by an LED glass light, offering a subtle 'dim to warm' glow that evenly bathes its surroundings.

Equipped with a touch-operated On/Off dimmer switch seamlessly integrated into the design, Mono provides a gentle and distinctive user experience akin to lighting a candle.
