

Bed One

Manufacturer: **De La Espada**

£19,825

DESCRIPTION

Bed One by Manuel Aires Mateus for **De La Espada**.

A minimal and simplistic design, Bed One from De La Espada, has a considered and paired back form. With an emphasis on longevity, and an individual sensory response, it is constructed from well-proportioned Douglas Fir timber planks, each with a continuous wood grain. Made to accommodate a range of mattress sizes, the frame also features a simple and functional shelf at the back, suitable for placing small bedside items.

DIMENSIONS

King (fits Euro King, UK King, US Queen and Australian Queen mattresses): 208w × 256.5d × 90cmh

Super King (fits UK Super King, US King, US California King, and Australian King mattresses): 238.5w × 263d × 90cmh

Platform height is 30cm.

MATERIALS

Made from European Douglas Fir, with a white oiled finish. Platform base is made from black stained MDF, featuring holes for air circulation

Please see pdf in Product Downloads to see all details and assembly instructions.

Please note: as Douglas Fir is a softwood, it will mark with regular use. De La Espada suggest to steam-repair dents in the timber, whilst also recommending to embrace some level of wear and tear as part of the ongoing story and beauty of your Douglas Fir furniture. Knots are naturally present in this timber, which lends to the character of each plank.

Note: Please note the dimensions for access check before purchasing. For enquiries, please get in touch with us [here](#).
