DESCRIPTION

Laptop Carrying Case by **Delfonics**.

Delfonics is one of Japan's most respected and innovative stationery companies, with products ranging from pens and notebooks to files and carrying cases. Globally sought-after, Delfonics stationery equipment is designed with precision to meet exacting standards of functional efficiency.

Introducing the Delfonics Laptop Carrying Case: a durable and reliable way to transport your electronic devices. This inner carry bag is designed to accommodate laptops and tablets of various sizes, providing a safe and secure hold for your valuable electronics.

Crafted from sturdy cotton canvas, the Delfonics Laptop Carrying Case features an impact-absorbing urethane interior that ensures your devices stay in place during transport. With a total of nine pockets both inside and outside the bag, you can easily organize your cables, smartphone, and stationery.

The three Velcro closures on the pockets make it easy to store your peripheral devices separately, while the interior handle and outer pocket with a belt attachment make it easy to carry or attach to a suitcase. The refreshing navy blue or hickory pattern design is unisex and perfect for travel, school, or office use.

This bag can easily accommodate a 13-inch PC like a MacBook Pro or a tablet. Whether you're on the go or need a bag-in-bag option, the Delfonics Laptop Carrying Case is a great choice.
