

Step ladder, 2009

Designer: **Karl Malmvall**

Manufacturer: **Design House Stockholm**

£438

DESCRIPTION

Step by **Karl Malmvall** for **Design House Stockholm**.

Step is a wooden stepladder that is both functional and decorative. Capturing a slim and smart design, the ladder was awarded the best furniture piece in 2011 by design magazines, Wallpaper, and Swedish Elle Decoration.

Designed to be displayed, the stepladder is supplied with a hook for wall mounting.

Please note, not for commercial use. The maximum load is 100kg.
