

Desk Three

Manufacturer: **Another Country**

£965

DESCRIPTION

Desk Three by **Another Country**.

Desk Three is a versatile piece of furniture that works equally as a workstation, a dressing or an occasional table. With its contemporary form and solid construction with precise craftsmanship, this desk can sustain both domestic and commercial uses. The desk's trestle base and multi-functional form is a nod towards utilitarian forms of industrial furniture.

The desk has two distinct parts; a trestle base and solid top. The joint where these two meets is a working detail kept as a celebration of its form.
