DESCRIPTION

Cadovius 900 light by **Poul Cadovius** for **DK3**.

DK3 has relaunched the design classic - the Cadovius 900 light, designed by Poul Cadovius.

With a refined contemporary design, the light still holds the 70s charm from when it was originally released. The 12 individual lights sit on one suspension rail and illuminate a wide area - perfect for a long dining table or elegant hallway.

Available in a sophisticated brass finish, that is as much of a design feature when the light is turned off, as on. Suitable for both contract and residential interiors.

DIMENSIONS
