

Groove Night Table

Designer: **Christian Troels**

Manufacturer: **DK3**

£1,828

DESCRIPTION

Groove Night Table by **Christian Troels** for **DK3**.

The Groove Night Table, characterised by its embellished grooved edges, was designed by Troels to honour solid wood's intrinsic beauty.

The meticulous, sophisticated embellishments enrich the simple silhouette of the side table, complete with a discreet drawer with ample storage space. This intricate detailing is achieved using a custom-made milling head, a unique tool created by the designer to create the widely celebrated Ten table.

The table is offered in three heights and makes an excellent side table for a bedroom or living room.
